OncoTherapy Science, Inc.

March 10, 2016

Posting on the March issue of Nature's *BioPharma Dealmakers*

OncoTherapy Science, Inc. was posted on the March issue of Nature's *BioPharma Dealmakers* which have a journalistic feature on immunology/oncology. Distributing copies to delegates of Bio Europe Spring and ASCO will raise our profile further. Positioned as an innovative organization in this global scene, this article will reach influential industry scientists and senior business executives, and it is expected to be getting our activities and projects noticed by the potential partners.
